SUBJECT: Yearend NTP Consultative Workshop Data

The National TB Control Program conducted its Yearend National TB Program (NTP) Consultative Workshop last December 3-7, 2007 at Oasis Hotel, Clark, Angeles City. Highlights of the workshop include the review of the regional accomplishment reports and presentation of activities for the National TB Program for 2007. In this regard, we are forwarding to your office a summary of these reports accomplished by your respective coordinators and reflecting the status of the data being presented then. Please note that there are still **incomplete** reports that were submitted during the workshop considering that this was already the Yearend (December 2007). We request your assistance in following-up and completing these reports to ensure timeliness and substantial input to our NTP data.

For your information and appropriate action.
