SUBJECT: Hiring of Treatment Centers staff for the Scale-up of the Programmatic Management of Drug Resistant TB (PMDT) in Selected CHDs

In line with the scaling up of the implementation of the Programmatic Management of Drug Resistant TB (PMDT) in selected regions, please be informed that the selected treatment centers will take charge of the recruitment, selection and hiring of its own treatment center staff to efficiently and effectively manage these human resources. These staff include the following:

1. Clinic physician (1)
2. Clinic Nurse (1)
3. Clinic Pharmacist (1)
4. Clinic Social worker (1)
5. Clinic support staff (1)
6. Clinic junior psychologist (1)
7. Program Assistant (1)

Job descriptions and qualifications of the above have been sent to you earlier. The compensation of these staff will be aligned to the salary scale and benefits of the hiring facility, as long as the compensation per staff do not exceed the maximum compensation per staff approved by the Global Fund to fight against AIDS, TB and Malaria (GFATM). Other details will be discussed during the Central Planning on April 21 to 23, 2009.

Please be guided accordingly.
