DEPARTMENT PERSONNEL ORDER
No. 2016 - 2225

SUBJECT: Attendance of selected DOH-Central Office Staff, Chief of Hospitals, Regional NTP Coordinators, PMDT Treatment Facility Staff and Partners to the Evaluation of the Operational Research entitled "Feasibility, Effectiveness, and Safety of 9-Month Treatment Regimen for Multidrug-Resistant Tuberculosis in the Philippines" on August 3-5, 2016 (exclusive of travel time) in Metro Manila.

The National Tuberculosis Control Program (NTP) of the Disease Prevention and Control Bureau, in collaboration with local and international partners, will conduct an evaluation of the implementation of the operational research entitled "Feasibility, Effectiveness and Safety of 9 Month Treatment Regimen for Multidrug-Resistant TB (MDR-TB) in the Philippines" on August 3-5, 2016. The activity aims to assess the progress of the study based on the given set of indicators and implementation plan. Furthermore, the activity will also solicit recommendations on how to implement the short regimen under programmatic conditions in response to the issuance of the World Health Organization (WHO) on the use of shorter regimen for MDR-TB issued in May 2016.
