**Pediatric TB DOTS Training & Workshop**  
 Audiovisual Room Ground Floor

**PROGRAM**

Day 1 August 6, 2015

12:00-1:00PM REGISTRATION

1:00-1:15 OPENING PRAYER  
 NATIONAL ANTHEM

**Course Objective**

The Pediatric DOTS is a 2 half day workshop designed to provide training to pediatric residents, nurses, and allied medical personnel on aspects related to the diagnosis and treatment of tuberculosis in children. It also aims to orient the participants on the current Manual of Procedures of the National Tuberculosis Control Program of the Department of Health, Philippines. The workshop will be composed of didactic lectures, and written and practical exercises for the participants.
