Dear **Dr. Dayrit**,

We would like to inform your good office that the Philippine Academy of Pediatric Pulmonologists, Inc. (PAPP) Committee on Childhood Tuberculosis have a TB Awareness Program.

The project aims to disseminate information to government physicians, baranggay health care workers and laymen regarding diagnosis, management and control of TB disease in children. The duration of lecture will be one hour. In this regard, may we request for official time for the participants of the lecture.

Thank you very much.

Respectfully yours,
